Tell us, and our girls, what you want more and less of!

BALLS TO BOROKA

I've always been a huge fan of that cute little blonde babe Boroka Balls, who most recently featured in *MensWorld* Volume 22 Issue 11. However, like yourselves, it has always struck me what a terrible name she has – surely she didn't choose it herself?! – and I laughed when I read about the 'Renaming Boroka Balls' competition you proposed in the girl blurb of that set.

I don't think the idea you came up with, Princess Nympho-Tits, was very good at all, so I've decided to suggest some of my own. The first one that sprung to mind was Patricia Perky, but no-one's really called Patricia these days, and then I thought of Serena Sexy, which I thought was pretty good.

However, I think my favourite idea was 'Horny Helena', because horny is how Boroka makes me feel every time I look at her! Please can you shoot her again for the magazine and pass my names on to her for consideration?
Keith, Evesham

Yes Keith, you're right, Boroka is a gorgeous girl with a terrible name, and we're glad that the campaign to persuade her to change it is growing in stature. Our grand plan is to get Boroka back in for a shoot in a few months and then give her a list of suggestions, and of course Keith, your three ideas will be on there. As will any that our readers send in, so please keep them coming!

BUST LUST

One thing I love about *MensWorld* is its capacity to throw in the odd surprise every now and again, and there were two huge ones in *MensWorld* Volume 22 Issue 11 in the form of Alanah's massive tits.

I know you feature girls with big boobs fairly frequently in the magazine, but Alanah was different in that she looked a little bit more 'mature' and her giant baps were so in-your-face and bouncy. They looked incredible all covered in oil, or whatever it was that she was massaging into them.

Honestly, with her being the cover girl and opening set it took me about three days to get past the first few pages of the magazine, and this is from a man who doesn't usually go for older women or really enormous breasts.

So well done *MensWorld*, and please keep coming up with these great surprises. Although I wouldn't mind something predictable in the form of another appearance from Alanah and her twin treats!
Dennis, Cheadle

We did think that featuring Alanah, especially on the cover, might be a bit of a gamble as she's not really the typical MensWorld type, but the busty babe appears to have gone down well with our readers. Thanks for your positive feedback Dennis, and we're glad that we've introduced you to a different kind of girl for you to get off over – the more the merrier, as they say! Alanah will hopefully be back soon, although we do know she is very busy with her movie commitments in the US. Stay tuned…

SIZE MATTERS

Whichever way you look at it, cock size is a big deal for most blokes, especially if you're worried that you might not be as well-endowed as other men. Porn doesn't help, with big muscle-bound blokes strutting around with enormous dicks the size of rolling pins, and it's easy to feel inferior.

With this in mind, I read with interest the feature in *MensWorld* Volume 22 Issue 11 about female pornstars and their preferred cock proportions.

Janet Mason and Shawna Lenee said they love really massive dicks, which is fair enough I suppose, but I did find it encouraging that someone as hardcore-looking as Joanna Angel would be happy with a penis of average size, and even went on to suggest that some willies can be too big. I believe the gorgeous Sadie West also stated that she enjoys cocks of all types, which is encouraging.

So thanks for an interesting feature. I imagine it would've made many men of average size feel much happier about their package!
Nick, Lancaster

Obviously having a little willie isn't something we have to worry about here at MensWorld, ahem, but we're very happy if 'The Long and Short of it' feature was of help to those packing a tiddler. To be honest, we always think that a woman moaning about cock size should just work with what she's got. After all, it's not our fault if she's got a baggy fanny!

CONNY

PHOTOGRAPHY: SCOTT WARD

Conny is a huge favourite of ours here at *MensWorld*, and it's often you'll find one of the team with an image of her on their screen, staring open-mouthed, no doubt imagining what it would feel like to fondle those plump boobs.

The other day, as we were checking out these gorgeous shots of the sexiest brunette in the business, we played a little game. What would you sacrifice to have a grope of Conny's top-notch tits?

The Ed said he'd throw in his signed Eric Cantona shirt, his favourite pair of trainers and all the Stellas in his fridge, whereas our Art Ed offered six bags of assorted Haribo sweets, a bottle of vodka and an autographed photo of MC Hammer. Where he got that from I've no idea.

By this time everyone was getting involved. The web bloke said he'd chuck in his old laptop, our cleaner offered up three Vileda supermops and a multi-pack of Mr Sheen, and the sandwich man thought a good old fondle of Conny's baps would be worth unlimited filled baguettes from his trolley (excluding prawn) for a month.

What would you give for a feel of that fantastic chest furniture? Have a good look at the pictures and let us know at: *mensworld@paulraymond.com*

SECOND HELPINGS!

If there's one thing my sex life isn't, it's predictable! Some nights I've gone out dressed like a slut, looking to get laid and… no action. Then there are other times, like one recent weekend. I hadn't seen, let alone sucked, a dick in weeks. And I was dressed in old skinny jeans and a white T-shirt, no make-up, not looking for action, when Barney hit on me.

Within an hour I was in his bed, taking his cock hard from behind. Just straight-up fucking, and as his hands closed over my big tits and kneaded them hard, I wondered how I'd survived without it. As he came, balls-deep and rolling my nipples in between his fingers, I felt this heat spread through my entire body, and it set me off too.

I sucked him rock-hard again when he was ready, then I slapped his dick in between my boobs. As I stole a quick suck on his helmet, I reached down in between my thighs, scooped out a load of juices and slathered them on his shaft. Then I used my tits to bring him off again – they were coated by the time he was done cumming!

He fucked me all ways all night long, then woke me up with his morning hard-on pressed up against my crack. I let him spoon me, then sat on him, facing his feet, hand caressing his nuts while his finger rimmed my arsehole. I was tempted to take him in there, but he was already shooting another load inside of my cunt as I dipped down low.

He had to go see his family, so I headed home – bow-legged and in need of a shower – via a local farmers' market. I always thought the whole idea of a sexual afterglow was bullshit, but maybe there's something to it. Men kept flirting with me – some just playful but others, like Roy, were more serious!

He'd been helping his mate unload a van and, with time to kill, came home with me. He joined me in the shower and sponged me down with the honey soap I'd just bought. He lingered on my boobs – I wondered if he saw the lovebites I'd got the night before! – then as we kissed, he lathered my pussy, playing the soft sponge over it.

Now he was lapping up another kind of honey, crouched down, tongue ploughing my slit. His fingers teased my arsehole a little, but when he stood up and leaned me against the wall, his cock pried for my cunt and slipped in easy.

He screwed me high and hard, lifting me on tiptoe, then hooked his arm under my knee, lifting my leg so he could shove in even deeper. He got the showerhead and sprayed my tits point blank, then switched it to massage and used it like a vibrator on my clit. Well, it always works for me solo, and with a hard length stuffing my cunt, I was cumming over and again!

I was clinging onto Roy, shaking and tightening my pussy even more around his shaft. Then I felt his body go as rigid as his prick before he flattened me back against the tile wall and fired a massive load of spunk in my snatch.

Dried off and in my bed, he asked me if his dick was the first

I'd taken that weekend. I confessed and he said he could always tell, and he was kinky for sloppy seconds – it made the fucking seem all the more kinky. I showed him I could do kinky, licking his balls while I wanked his dick. Then I let him pick his position, and he did me in piledriver – a first for both of us, and his porno fantasy come true! It felt a bit weird but I had the most intense orgasm. Then Joshua jizzed in my twat, only to force it out in streams all down my slit and arse crack as he fucked me for a few final thrusts.

So maybe one fuck does lead to another, maybe not. Whatever, I always give myself a frigging with a dildo before going out, to see if that stacks the odds in my favour!

TWATFIGHT!

I work as a model. Just minor league – catalogue and promotional work, nothing like as glamorous as it sounds! Recently, I got a rather strange booking. Somebody was launching a new line at his clothes shop, and wanted publicity at all costs. So he hired me and another girl – Renée, a huge-titted brunette – to stage a mock catfight!

On cue, I cut in front of Renée in the queue outside of the shop and we started scrapping. The client had told us to make it sexy, not vicious, with lots of flailing long hair, flashing knickers and 'accidental' grabbing of tits and arse. And we ended up on the floor, me straddling her body, before security – who were in on the scam – dragged us apart. The public was too busy taking pictures, filming it on their mobiles and most likely getting hard-ons to step in!

We went into a back room to change into clean clothes. Hyper, but without a single scratch on either of us, we cracked open the champagne the store owner gave us for a job well done, chugging from the bottle.

"Hey bitch," joked Renée, grabbing a hank of my hair. "Do you want to finish what we started?"

"Yes. But this time we're naked," I said. She almost spat her drink out laughing, but kissed me instead, sharing it mouth to mouth. We jammed a chair behind the door to keep it shut, then began to get off with each other in earnest.

"I was on top," I said, and she laid on the floor, hair fanned out behind her, and I straddled her again. As I leaned forward for her to suck on my tits, I rubbed my moist pussy against her belly. Her mouth worked my nipples to an aching stiffness, then I sat up and reached backward between her thighs to play with her twat. My fingers teased her outer lips but she was so wet they just slipped in her hole, right down to the knuckle.

She moaned even louder as I humped against her, my pussy angled forward. Then she grabbed a handful of it. I had a

LELA

PHOTOGRAPHY:
SAGE STYLE

We join Lela Star applying the finishing touches to yet another masterpiece for her burgeoning gallery – a painting of a lady holding a fan.

Either she loses her artistic muse very quickly or it's simply the unpredictable and flamboyant behaviour of a 'creative type', because in no time Lela's stripping her clothes off and rolling around naked on the sheet that she's sensibly put down to stop paint getting on the floor. She'll never be ready for the exhibition at this rate!

To be honest, until we saw these images we thought Lela was just a hugely successful pornstar with a hot little body and a fine repertoire of hardcore movies behind her. We had no idea that she was a keen painter, and if we're honest we still have our doubts.

Surely an artist wouldn't wear tacky knickers with 'Sweet' splashed across the bum, and from the way Lela's handling that brush and palette at the start of this set it almost looks as though she's got no idea what to do with them.

But if Lela didn't do the paintings, who did? The plot thickens.

DOUBLE BUBBLE!

There are a few reasons why Alexis Ford and Alexis Texas have both graced the MensWorld cover. And Emma Edwards discovers them all when she witnesses their first ever ass-clash live on set...

Alexis Meets Alexis
Starring: Alexis Ford, Alexis Texas, Chayse Evans, Samantha Ryan, Amy Brooke, Mr. Pete, Chris Johnson, Tony DeSergio, Rocco Reed.
Directed By: Andre Madness.
Available From: Adam & Eve Pictures.

Alexis squared!

We told Amy Brooke to take her shoes off in the house!

It is not too often that porn can report about the collision of two worlds as industry heavyweights converge into what will be one of the hottest releases of the year. This is precisely the event at hand, as newest contract sensation Alexis Ford teams up with Alexis Texas, the awesome blossom from The Lone Star State, in Adam & Eve's latest production called *Alexis Meets Alexis*.

Helmed by the astute vision of director Andre Madness, and made even better with the inclusion of tasty young treats, watch as these beloved bombshells explode into dangerous acts of hardcore sex. Without any need for formal introductions, drop your drawers on the floor and enter at your own risk. You're about to step into a sexual wonderland where fireworks and fantasies of the female flesh run dangerously hot. Do you think you can stand the heat?

This is exactly the situation at the hilltop mansion where Alexis Ford and Alexis Texas lay in position on an antique chaise lounge that is covered with red velvet. Dressed in skimpy bikinis and looking just as fabulous as their opulent surroundings, Alexis Ford is quick to make the first move on her budding co-star. She begins by planting a row of tiny kisses along the slender curve of Alexis Texas' shoulder. Goosebumps cover her creamy skin as she flips her head to the side and purrs, "Kiss me more." Alexis Ford secures her hair in her hand and licks her neck before flicking her tongue around the rim of her ear. "You're making me so wet," Alexis Texas sighs as her pussy butter begins to melt over the blanket.

Feeling eager to tear deep into the heart of Texas, Alexis Ford is quick to fold Alexis Texas in half in order to sample her legendary buns. With Alexis Texas sprawled out on all fours like a perfect pet, Alexis Ford spreads her big ass open and long licks both her pussy and ass. As her tongue flutters over Alexis Texas' butthole, she coos, "Oh yeah, put it inside." Engaged by the naughty proposition, Alexis Ford slowly sinks her tongue into Alexis Texas' tushy. Once fully committed, Alexis Texas locks Alexis Ford into place by clinching her butt muscles around her tongue. Alexis Ford giggles at the sheer power of her pucker and jokes, "Fuck, I know I'm in trouble now!"

From here, Alexis Texas gently rests Alexis Ford onto her back, keeping her legs spread with the help of her forearm. Being a skilled pussy licker, Alexis Texas begins her expert oral on Alexis Ford by sucking on the sides of her labia as if she were slurping up a plate of spaghetti. With an audible sound, Alexis Ford

The Alexii share some bum fun!

begins to explode into Alexis Texas' mouth. The results are astounding. By all accounts, it's safe to say that their first impression of one another is a good one!

As the bustling crew transition all the lights and gear into the interior of the mansion, Samantha Ryan strolls out in expensive lingerie, looking like a million bucks. Being celebrated as a premiere lesbian performer I ask, "So Samantha, who is the lucky lady?" She laughs while biting the corner of her pinky finger and smirks, "Oh Emma, it's nothing but cock today!" As I pick my gum up from my notebook, Chris Johnson struts onto the scene and leads Samantha to the set by her ass. They naturally fall into place with Chris bending Samantha over his lap to give her one of those romantic Hollywood kisses. The romance quickly fades once their tongues start jousting over each other in a dueling match to the death. Well, not literally.

"Open your mouth wider. I've got a surprise for you," Chris jokes, as he unzips his pants and plants his pecker between her waiting lips. Obviously cock-deprived for far too long, Samantha begins to power chug his meat as if she's a contestant in a hotdog eating contest. He pulls her hair back and watches her go, "Fuck girl!" he says in disbelief, as she continues to round out her cheeks with his chub. After several minutes of dripping wet action, the winner is declared. And the award goes to… Samantha, as she has clearly sucked up more meat than I've seen in a long time!

Still keeping control of the situation, Samantha leaps on his lap in cowgirl position and begins to grind her slender frame around his stick in a circular motion. "Oh yeah! That's the good stuff!" she says under her breath, as her chest becomes bright red and her clit blossoms. As a diehard fan, I know exactly what's coming next. As the last piece of the puzzle is put in place, namely, her eyes rolling to the back of her head, Samantha begins to eke out an orgasm that keeps going and going and going. When she's finished, the actual sound of her peeling her sticky cunt off Chris' lap makes the room take notice of this saturated starlet. This seems to turn Chris on even more as he bends her over, sticks his thumb in her bum, and continues to sample Samantha from a squatting doggie position. After several more minutes, Chris pulls out and sprinkles his seed all over her ass. Brilliant!

With such a tough act to follow, Chayse Evans and Tony DeSergio certainly have their work cut out for them. But thankfully, these two have been ready to tear into each other all day. "Make it hot and make it dirty!" Madness directs before unleashing the lovebirds onto one another.

In a battle for dominance, both performers leap into each other like jungle cats. The result is an incredibly erotic kissing session that leaves both necks spotted like leopards. "You're all mine now," Tony purrs in his sexy English accent as he unhooks her bra and flings it across the kitchen cabinets. With her tits out, Tony rests her chest over the cool tile of the countertop while he yanks down her panties with his teeth. He sinks his nose into her butthole and takes in a big whiff, "Smells so fucking delicious!"

Already in perfect fucking position, Tony spits a wad of saliva over his cock and jabs it up her coochie. She sinks down lower and opens her legs wider as her toes begin to curl up into her red stiletto heels, "Damn, this dick is good!" Soon she's screaming her delights and sucking on the soggy crotch of her panties as he goes in harder and deeper from behind.

After she explodes her load over his shaft, she falls to her knees to suck up her sweet sauce. With a pretty tongue and puffy lips, she easily works her mouth over his meat, following the veiny trails with her tongue. When she's finished, she looks up and smiles, "Give me more!" As if anybody could resist such a request, Tony picks Chayse up and continues to plug away in mish. She adoringly looks on, pinching his nipples and running her red nails along the curves of his chest. After several more positions and

plenty of pussy polish to wax the floor, Tony rewards his bitch with a creamy cum bath that leaves her pussy frosted.

The final scene of the day, starring Alexis Ford, Alexis Texas, and Mr. Pete is saved for the end. Eager to take their newfound friendship to the next level, both girls decide to make Mr. Pete the meat in their blonde sandwich. They lay him out across the white bed and suck his cock in unison. As Alexis Ford licks up the left side of his stick, Alexis Texas slurps down the right. The visual is quite stunning, but certainly pales in comparison to what Mr. Pete is feeling as the two mouths continue to polish his frank and beans. Eventually, he lifts his cock up and has each girl commit her mouth to a ball while he jokes, “Yo, you girls missed a spot!”

“Okay now. Let’s move this into first position,” Madness laughs as he breaks up the humorous display Mr. Pete has created. Ready to pony up first, Alexis leaps on in cowgirl position. It takes her a few moments to get her dazzling derriere all revved up. Once it’s going strong and slapping together like Mexican maracas, Alexis Ford finds a perfect spot on Mr. Pete’s face. With Alexis Texas banging strong down below and his tongue wedged up Alexis Ford’s pussy, Mr. Pete proves to be the luckiest fucker alive.

“Baby, you’ve got to taste this,” Mr. Pete calls down to Alexis Texas. She unlatches her beaver from his bone and joins Mr. Pete between Alexis Ford’s legs. With both tongues wagging over her pink meat, Alexis Ford sinks her nails into the bed sheets and begins to wiggle. Alexis Texas holds her lover in place and continues to glide her tongue over her clit as Mr. Pete sticks fingers up her holes like she’s a bowling ball.

“MR. PETE STICKS FINGERS UP HER HOLES LIKE SHE’S A BOWLING BALL”

When both have had enough of Alexis Ford’s juice box, Mr. Pete tears into Alexis Texas once again before mucking his mayo across her buns. He later has Alexis Ford lick up his dirty work like a good little slut. “Now that’s the way to end a movie,” Madness interjects, as he is obviously excited with what he has just captured. In a nutshell, it’s porn perfection!

Like I mentioned earlier, it isn’t often that one can witness such a cataclysmic occasion. Thankfully, we can all pay tribute to such an event once this sensation finally hits the streets. Oh, and you may want to save some seed for Amy Brooke and Rocco Reed. Like the sluts who came before, this girl comes on strong. If you think you can stand the heat, *Alexis Meets Alexis* just might be the spice you’ve been craving!

MORGAN

PHOTOGRAPHY: HICKS

Fresh to the list of famous Morgans – which currently includes the actor Morgan Freeman, celebrity ballbag Piers Morgan, and the inventor of rum, Captain Morgan – is Morgan Dayne, a Latina lovely who has become very popular through taking her clothes off and having sex on camera. And why not?

But what else can we tell you about this newest addition to the prestigious 'Morgan Hall of Fame'?

Well she likes down-to-earth blokes with nice teeth and 'good hygiene', her favourite TV show is *Family Guy*, and apparently 'passion is the centrepiece to her success', and after seeing a couple of her movies recently we're inclined to agree with that particular statement.

However, perhaps most interestingly, a little while back she changed her name to Rio Valentine, but then mysteriously decided to switch it back to Morgan Dayne again.

Maybe she didn't like her new moniker, or perhaps she realised that it would make her ineligible for the 'Morgan Hall of Fame'. Who knows, it could've been to do with the fact that she was called Rio Valentine whilst contracted to Digital Playground and, due to an alleged issue with lack of promotion, doesn't work for them anymore.

Whatever the reason, make sure you add this Morgan to *your* list of famous Morgans. And don't forget Morgan Changari.

WE GOT MO' JO FOR YO'!

MensWorld and Jo Guest go hand in hand. Which is why we pay tribute to our favourite glamour girl with a never-before seen set from her heyday on page 40. Who knows, we might even have more up our sleeve...

Jo Guest is probably one of the most famous British models ever to take her clothes off, with the bubbly, blonde babe having made frequent appearances on Page 3 and in many of the Lads' Mags, whilst at the same time becoming a very popular regular in *MensWorld*, most notably editing the 'Be My Guest' section, where she picked out readers letters and posed for special one-off shoots.

During her heyday in the mid-to-late 1990s Jo even appeared on mainstream TV programmes such as, ahem, Granada TVs *Men and Motors*, playing the role of agony aunt, *I'm Famous and Frightened*, looking for ghosties in Dover castle, a panel guest on *Shooting Stars* with Vic and Bob, and, perhaps most famously, in the video for the Blur hit single, *Country House*. Such a household name was Jo in her pomp that she even made appearances on *An Audience With*… programmes, putting questions to the likes of Freddie Starr and Ronnie Corbett on Saturday evening prime time television.

Nowadays, most of the successful Lads' Mag models won't even appear in a pornographic magazine, let alone reveal all on its pages, but even though she enjoyed fame and fortune from her work well below the top-shelf, Jo was always happy to go fully naked for *MensWorld* and a whole host of 'lesser' adult publications. This was most unusual for a girl of 'Guesty's' standing, but even at the height of her fame the perky princess remained very down-to-earth and willing to go that extra yard to keep her fans satisfied.

Jo has also always been refreshingly honest in interviews. She would frequently say with a cheeky giggle that her favourite past-times were drinking beer and playing pool, and, with regards to sex, confessed to enjoying nothing more than having her head in a pillow, her arse in the air, and to be given a good seeing to. She also once named her boobs pinky and perky, although these days she's keen to distance herself from that comment, so what they're called nowadays we've got no idea.

In 2008 Jo announced that she had a 'mystery illness' that was ruining her modelling career, and it was revealed that the once legendary model was now unable to work. It appeared to be a sad fall from grace, but as a last-ditch effort to get a diagnosis, she gave an interview on ITV's *This Morning* and chatted to resident health expert Dr Chris in a bid to shed some light on what might be wrong with her. It worked, with hundreds of viewers suffering similar symptoms contacting the show to suggest that Jo might have a condition called Fibromyalgia.

ONE OF THE MOST FAMOUS BRITISH MODELS EVER TO TAKE HER CLOTHES OFF

After taking specific medication, Jo's health has improved, and although there's no cure for Fibromyalgia, 'Guesty' has been able to begin modelling again. For the record, at 38 years of age she still looks very hot. The images you see on the following pages have never been printed before in the UK, and show Jo in her heyday, looking absolutely stunning and showing why, at the time, she was one of the most popular, if not the most popular, glamour girl in Britain. We love her, we know you do, so check back next month for the Best of Guest…

JO GUEST

PHOTOGRAPHY: STEVE COLBY

WorldMags

Unseen Jo Guest? Say it is so. Yes, Jo's favourite snapper, Steve Colby, came across this set in his dusty files recently, and gave us first refusal. Well, who refuses previously unpublished photos of Jo Guest, taken when she was in her prime? Not us, Jo's natural home, that's for sure!

Back then, Jo was stripping off and fulfilling reader's fantasies every month in *MensWorld*, and the current editor is not ashamed to admit he had a letter to Jo published in this very mag when he was a student blowing rather too much of his grant on high class scud mags.

Anyhoo, we've got even better news. This isn't the only set of Jo we've got that has never been seen in a UK magazine before, and if you're good, we might well let you see the other one in a few issues time. But only if you're very, very good...

AH, THE ALLURE OF THE REDHEAD. WHAT APPEALS SO? IS IT THEIR ALABASTER SKIN, OR THEIR TANGLE OF WIRY OUTSPAN PUBES? WHO KNOWS, BUT OUR MAN O-REAL HAS A REAL CASE OF GINGER-VITIS AND BRINGS US HIS TOP 10 PORN STAR COPPERTOPS...

AUDREY HOLLANDER

With her porcelain skin and curly, fiery locks, Audrey easily gives the appearance of a sweet, girl-next-door type. And then the clothes come off, revealing a fantastic body. Still, that doesn't tell the entire story: Audrey is an incredibly filthy girl.

Audrey entered the business in 2003, accompanied by longtime significant other Otto Bauer. According to Otto, the pair practiced filming themselves for months before making their Porn Valley debut. Apparently practice made perfect, and around 300 titles later there is no question that she is one of the hottest girls in recent years, winning (among other things) the 2006 AVN Award for Female Performer of the Year. For sheer taking-it-in-the-bum filthiness, we reckon.

BRITTANY O' CONNELL

A comeback isn't always necessarily a good thing, but in Brittany's case, it is a fantastic thing. She first came around in 1992 and put in tons of quality work for everyone from Vivid to Evil Angel to her own production company. But by the time Y2K rolled around, she was gone. Blame the Y2K virus, or whatever the fuck all that fuss was about.

Then she returned last year with a vengeance, unleashing easily the biggest comeback of 2009, spotlighted by her starring role in *Not Married With Children XXX*. Ever since she's been working steadily. It doesn't hurt that she still looks fabulous – the hottest MILF around right now? – and the years away from the business didn't take away from her ability to fuck and suck. In fact, she seems to have gotten better with age.

Seeing Red: *Not Married With Children XXX, Seasoned Players 6, Sodomania, Face Dance 1 & 2.*

FAYE REAGAN

She came into the business as Faye Valentine, but we don't care what you call her because she is Faye-bulous by any name. Sorry. Red hair, freckles and a body that sets new standards. Believe it or not, she's all natural (we checked by prodding it) and turns in scenes as hot as any performer.

Her boyfriend/fellow performer Dane Cross says that she has a bit of an obsessive-compulsive disorder and she focuses much of that energy on kegel exercises. As a result, when she cums it is virtually impossible for a guy to keep his cock in her snatch because it tightens so drastically! A fun thing to watch for in her hardcore scenes.

Faye recently signed on with LittleMutt to become the first 'LittleMutt Star,' which will include the company marketing the starlet, including a website dedicated to her. An additional bonus: she's going to be doing guys again!

sack and even after 500-plus movies she is still one of the industry's most sought-after stars.

While much of her success is certainly thanks to her beauty, her massive abilities are legendary. She does it all and does it all well. Blowjobs, anal, DP, gangbangs – nothing scares Katja. She's worked for virtually everyone in the business and racked up many awards, including Adam Film World's Actress of the Year in 2003 and AVN's Best Solo Sex Scene (2006) as well as Best POV Sex Scene (2009). We'll even forgive her for what happened in 1939-45.

KIKI VIDIS

What's not to love? Gorgeous, fine-bodied, Australian (mmm, accents!) and always up for getting nailed. Oh, and that hair is as red as red gets! She calls herself a 'model/stripper/porn starlet', though she is so much more than that.

She currently divides her time between Los Angeles and Australia and is starring in the upcoming American reality TV series, *Inside Porn*, which is set to air this year.

She's still quite new, having entered the business just a couple of years ago, but the big companies have already lined up to get her in their productions, including Vivid, Digital Playground and Digital Sin. With her unquestionable beauty, fresh-faced enthusiasm and pure cock love, the work is sure to continue for a long, long time.

MODEL BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. BUT EXACTLY WHAT SORT OF NAUGHTY SHENANIGANS DO OUR GIRLS GET UP TO, AND WHAT IS A PORN MODEL'S LIFE REALLY LIKE? EACH MONTH ONE OF OUR FAVOURITE BABES TELLS ALL ABOUT THEIR SORDID BEHAVIOUR…

THIS MONTH
EVE
& MANDY
PHOTOGRAPHY: DDF

Eve: I've been modelling for years now and I really thought I'd been in every kind of sexual situation you can be in. I've done boy/girl shoots and movies, girl/girl, solo masturbation, lingerie modelling, softcore, hardcore, everything you'd expect from a girl who likes to make the most of doing porn. I've slept with the other models, male and female, both on and off-camera, and fucked a few photographers in my time too. Yeah, I know I look all innocent but who's really innocent when they're opening their legs and letting someone take pictures of their pussy for magazines? Or when they're getting a load of spunk sprayed in their face for a film called *Cock Lovers 3*? Looking innocent is one thing, sure, but being innocent is another, and it isn't me.

But anyway, like I was saying, I thought I'd done everything you can do in this industry until it came to working on a shoot with Mandy here. She was new to me, and as soon as I met her I was excited about getting my hands on those big boobs and feeling her tongue in my pussy. I was getting wet at the thought of what we were going to do together, and this was just within seconds of saying hello and giving her a kiss on the cheek. But then I met her entourage!

Yep, Mandy likes to take her gang of girlfriends wherever she goes, and that includes porn shoots. And what a gang they were – all lipstick, trash talk, bitching and short skirts. I think you call girls like this chavs over here, don't you, although they were sexy chavs. Five of them, as well as Mandy. The noise was unbearable, but it turns out she'd asked the photographer beforehand and he said he didn't have a problem with a gang of girls watching the shoot. Hmmm, nice of him to run it past me!

Anyway, I'm a seasoned professional at this game so I didn't really mind performing in front of a noisy girl gang – I was just hoping they weren't going to steal my purse! Me and Mandy moved over to the bed in the corner of the studio, the girls took their places on the sofas and seats to get a ringside view, and the photographer got into place at the foot of the bed and started giving directions. Mandy and I were both

WorldMags

wearing flimsy nightwear, and we got straight to peeling it off each other bit by bit, revealing our flesh to all who were watching. To give the girls credit, they shut right up once the show got started. Mandy whispered to me that this was the first time she'd let her little gang come and see her at work, and they were all really curious as to what went on. That was impetus enough for me to put 1000% into making sure they got an eyeful!

Once Mandy and I were fully nude, I pushed her back roughly onto the bed and spread her legs wide open. Depending on the girl I'm working with, sometimes I'll just delicately lick and suck their pussy for show to the camera, but if I know she's up for it I'll try and make her orgasm. I knew Mandy was up for it, and I wanted her girlfriends to see her get off with me. I started slowly, circling my tongue around her lips and keeping away from her clit, knowing that the pressure would be building, and then I gently prised her pussy lips apart with my fingers, revealing her wet hole, already totally juiced up. I clamped my mouth against it, pushed my tongue inside and started rubbing up and down, making sure her clit was getting a firm, steady motion.

It worked. Within seconds, Mandy was rhythmically grinding her hips against my face and softly moaning. The photographer snapped away, knowing he was getting a great set of photos, and the girl gang craned their necks trying to get a good view of their mate being licked to orgasm. I reached up and grabbed Mandy's firm, big tits and squeezed them hard while I ran my tongue up and down her pink slit. Her moans got louder and louder, and my mouth was filling with delicious girly cream, so I upped the pace of my licking, wishing someone was doing the same to my cunt. And that's when I felt a hand on my bare bum!

Not wanting to lose the momentum I was giving Mandy, but also aware that the cameraman was still taking photos, I wondered for a second just who's hand was rubbing my buttcheek. And then I felt more hands. Hands all over my ass, my back, snaking between my legs and rubbing my dripping pussy. So, Mandy's friends had gotten worked up enough to

want a bit of the action, eh? I was so excited to think that I'd turned them all on that much.

Mandy didn't even know her gang were getting in on it, she was throwing her head back and screaming with pleasure. In the meantime, even though I couldn't see what was going on, I could hear zippers unfastening, shoes being kicked off, the sounds of five girls disrobing, and then I felt more hands and then mouths on my skin, stroking and fondling me all over, then kissing and licking. I arched my back so my butt was high in the air, and felt the first tongue snake into my hole from behind. I was so turned-on, not knowing which one of these girls was licking me out, and feeling the hands of the others holding me wide open for her. She was good too – I had a feeling some of these girls, if not all, were used to lesbian sex. They knew what they were doing.

So, Mandy came a couple of times and when she opened her eyes she squealed with delight at the sight of all her pals naked and joining us on the bed. One of the girls had grabbed the snapper's camera out of his hands, put it to one side and had started sucking him off while he watched the rest of use writhe around on the bed and explore each other's bodies.

I was the prize, that was for sure. All the girls wanted to touch, taste and finger me. At once point, at least three of them had their fingers in my pussy, all of them straining to kiss me and taste my cunt. They pushed me back onto the bed and crowded around, taking turns to lick and suck between my legs, and doing the same to each other when it wasn't their turn with me. It was noisy, wet, dirty fun. And Mandy made sure to give me a taste of my own medicine too, forcing the girls to watch as she licked me to a shuddering climax. I even got coated in spunk when the girl who'd been sucking the photographer wanked him off over my tits. The girls all crowded in and licked me clean afterwards, convincing me they weren't dykes, they definitely swung both ways.

So yeah, an amazing shoot and an experience I'll never forget. Which reminds me, I must drop Mandy a text. Maybe her and the gang will wanna come over later…

SHE WANKED THE PHOTOGRAPHER OFF OVER MY TITS

CARMEN

PHOTOGRAPHY: EXPOSUREZONE

We all know that women like to spend ages in the bathroom, particularly when they're getting ready for a night out, but what do they get up to amidst all the clunking of bottles, swishing of water and spraying of lotions and potions?

Over mid-shoot Battenburg and Earl Grey, we asked Carmen to unravel the mysteries of the female bathing routine for us.

"So, you want me to tell you right from the beginning?" she said, obviously a little bit bemused. "It's pretty boring really."

We want every detail, no matter how insignificant, we replied.

"Well, first I take my clothes off," she told us with a smile. "And then I'll probably look at myself in the mirror for a little while. Not knelt on the sink like in those photos you just took, just stood up and completely naked."

And she said this would be boring!

"Then I'll start running the bath, making sure to use plenty of bubbles," Carmen continued, "and before I get in I'll check to make sure I've brought in a waterproof dildo rather than one of my regular ones."

We knew it! The team exclaimed in unison. We knew you girls were wanking in there!

"What did you think we were doing," she said with a giggle, "playing with our rubber ducks?"

nice buzz from the booze, and this just sent me into orbit. I was on the edge for a long while before I felt myself begin to cum, then Renée's twat spasmed around my fingers.

I flopped forward on her, then we lay side by side. I liked kissing her – her mouth was so full and soft, real blowjob lips, and her tongue was tangling up with mine. But she couldn't resist kissing and nuzzling my boobs. They weren't anything like as huge as hers, but she was clearly a tit girl!

I played her at her own game and gave her hair a playful tug, telling her, "Get down there, slut." She dipped her fingers in my fanny and wiped it on my nipple, like she was sampling my flavour. I must have passed the test, as next thing her face was in between my thighs. I wanted to eat her too, so she wheeled around, settling her pussy over my face. I nuzzled the outside folds, let it ooze and drip, then started to eat her.

I really wanted her to cum, even harder than last time, so I built it up slowly. Three bunched fingers in her hole, and my mouth stuck like a limpet to her clit, sucking gently but rhythmically. When, at last, I heard her moan, felt her pussy walls tauten, I pumped my fingers in and out of her, really hard. She just took it for a few seconds, then humped herself on my hand, drawing out her powerful climax as long as she could.

I'd kind of lost my own momentum, but soon found it again as she went back to eating me. She just used her tongue on my cunt, fingers pulling me wide open, but that was enough. And when I came it felt somehow deeper than usual, bubbling up from right inside of me.

We're still fucking a few months later, having fun with fingers, tongues and toys. Plus, we go out on the prowl for men together – it's so much fun to tell them we met when we had a catfight!

GLANDLORD!

I rent out a couple of flats and try to be a good landlord, dealing with my tenants' issues quickly and in person. One – a spoiled little rich girl named Carrie – can be a pain in the arse, but she pays her rent on time, and she's fit and horny too!

She'd been cockteasing me since she moved in – or so I thought. Then, one day recently, she called up to moan about the electrics. She answered her door in heels and a silk robe, and invited me in. Just as I was trying to decide if she was naked underneath it, I noticed a bunch of sex toys on the table. All this even though she was expecting me! I just ignored them at first, in case it was an honest mistake, but as I sat talking about her, "Constant blown fuses," she snuck a hand inside her robe and began to touch herself. I ignored this too, and got a flash of pussy. Then she grabbed a dildo and began to run it over her slit, wetting it in her pussy.

"I could come back later," I said, clueless idiot that I am.

"Or you could cum right here," she said, exposing her tits.

Now she splayed wide and probed inside of her hole with the dildo. "Unzip your jeans," she said, but told me not to touch my cock, so I just stood there, watching her masturbate, my tool getting stiffer by the second. Any time I made a move, she'd wave a finger at me, saying, "Not yet…"

Suddenly it dawned on me that this little bitch who thought she called the shots, who'd most likely never been told no, was ravenous for cock right now. Acting cool, I said I'd just leave her to play with her toys, let my secretary enjoy my hard-on. Total bluff – I don't even have a secretary – but she swallowed it. Literally. The dildo remained wedged inside of her cunt, but her tongue was spiralling around my salty wet helmet. "Mmm," she moaned,

sounding grateful so I wouldn't take it away again. No chance of that, although I did take over fucking her with the toy, my strong hands pounding it in and out. She was gasping, tits jiggling about. She had a little clit ring, so I rubbed her there, flicking it to tease her. It took less than a minute to make her cum, and she slammed on and off the dildo, gushing so much juice I found it hard to keep a grip on my end of it.

She let out a yowl as I pulled my cock out of her mouth and the dildo free of her cunt. Then I breathed in the steaming juices rising off of the toy. I let her come back down again, then offered it to her to suck, smearing it all around her mouth as I guided it in. She looked so slutty, pink lips stretched around the toy as she sucked it. Then I started to rub my prick against her swollen pussy mound.

"Let me ride you," she said. I sprawled on the couch. She sat on me, one hand opening up her snatch as the other showed my prick the way in. She had one boob well within sucking distance, naturally I sucked it, and the other fit perfectly in my hand, so firm and oh-so squeezable.

My cock was bigger than the dildo she'd been using – maybe that's why she felt so tight around it, or maybe she was all plumped up and tender from her orgasm. Whatever, it was hard to hold back from cumming until I'd teased that little clit to another climax. Then, as I felt her cunt convulse around my rod, I just let go.

There was a delay of maybe a second or two where it felt like my spunk would never leave my balls. Then it burst out, draining them in one almighty rush. No one can milk me dry like Carrie – I fuck her at least once a week now, and leave stains on the expensive sofa. I'll gift it to her when she moves out, but I'm hoping she'll stick around for a long while yet!

Frozen

Momentum, £15.99

So what would you do if you were stuck on a shut down ski lift, dangling helplessly high above the ground, with no mobile phone, a snowstorm closing in and all the operating staff having apparently buggered off for the week? It's a tricky situation, and it's one that faces three hapless members of a snowboarding party in this chilly thriller.

Watching three people stuck in mid-air might not initially sound like a particularly gripping way to spend 93 minutes of your time, but with clever plot-building and plenty of 'what would you do?' moments, *Frozen* succeeds in being a suspense-filled 'man against nature' shocker that will have you on the edge of your seat until the credits roll.

Okay, so the situation is fairly unlikely, and the chances of three people not having a mobile phone between them these days are pretty slim, but if you can suspend just a little bit of belief then there's plenty to like about this movie.

As the trio's problems escalate – dropped gloves, frostbite, threat of hypothermia, darkness, and the howls of hungry wolves down below – one simple question remains: can they make it out of their shitty predicament alive? If your nerves can take it, the answer is well worth finding out…

Pinter's Progress & The Homecoming

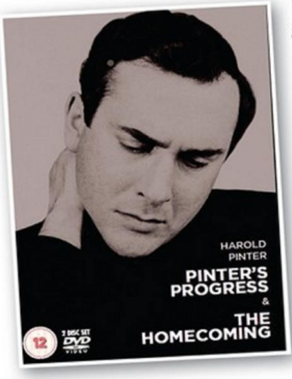
3DD Home Entertainment, £19.99

When Harold Pinter died in 2008 we lost one of our finest playwrights and screenwriters, and this double-disc set represents a celebration of his life and work.

The first part, *Pinter's Progress*, is a documentary that offers an insight into the man and his plays through interviews with actors and directors who have worked closely with him over the years, including Sir Michael Caineand Shelia Hancock, and the result is an intimate and fascinating portrait of the man behind the writing. The second disc presents the 1973 movie adaptation of a play that many believe to be Pinter's best, *The Homecoming*, in which a man who has been living in America takes his wife home to meet his working-class family in North London with disastrous results.

Directed by one of Pinter's favoured collaborators, Sir Peter Hall, the movie is considered to be one of the finest ever adaptations of a play for the screen, and represents an exceptional interpretation of Pinter's work at its best.

Pinter's Progress & The Homecoming is a must for fans of the man and his writing, and for those who would simply like to learn more.



Predators

20th Century Fox Home Entertainment, £15.99

After hitting a couple of bum notes with the critically panned *Alien Vs. Predator* sequels, the franchise is back on much firmer ground for this one, which sees a bunch of criminals and mercenaries parachuted onto an alien planet where they are to be used as hunting practice for the inhabitants – you guessed it, a hoard of angry Predators. Much like the original 1987 hit movie, in which a group of soldiers were pursued mercilessly by one of the dastardly creatures whilst on a mission in the jungle, the group must try and survive in the face of this fearsome and aggressive adversary whilst trying to work out how to escape, and there's a lot more of them and no Arnie to help out.

What ensues is a high-octane battle between this disparate bunch – which includes a former death row inmate, an assassin and a drug baron – and the terrifying alien beings.

Although not on the same level as the original, *Predators* is nevertheless a vast improvement on previous sequels, and Adrien Brody is suitably macho as Royce, the unofficial leader of the not-so-merry throng.

The Inbetweeners Series 1-3 Boxset

4DVD, £39.99

For anyone not already familiar with the multi-award-winning sitcom *The Inbetweeners*, it follows a group of teenage chums as they struggle through sixth-form at a suburban London school. The lead character is Will, a geeky posh lad who was forced to leave private education and go to a comprehensive due to his recently-divorced mother's financial troubles. A fish out of water, he's always getting into scrapes with his more laddish pals, who are always happy to lead him astray whilst making wanking jokes about his fit mum, much to his disgust.

The humour is very much of the 'in your face' variety, with plenty of swearing and banter about birds and masturbating – as the action follows the gang bunking off, vandalising stuff, going on field trips and trying – mostly unsuccessfully – to get off with girls. But there's much more to this than just a bunch of wanking gags and knockabout antics. This is a brilliantly observed and often hilarious comedy series that captures perfectly the boredom of sixth-form college and the stupid things a bunch of students do to liven it up. This boxset is a must.

BODY HEAT

Not a porno remake of the 1981 American neo-noir thriller starring Kathleen Turner and Ted Danson from *Cheers*, but a big-budget mucky movie about fire fighters featuring some of the most famous girls in the business, and the latest in a long line of blockbusters from premier yank filthmongers, Digital Playground.

We pick the story up with a fire station under threat of being closed down by a ruthless developer, and for some reason it's up to the likes of Jesse Jane, Katsuni, Raven Alexis and Kayden Kross to use their powers of sexual persuasion in order to save the day. How Kayden is contributing to the cause by sucking Scott Nails off on a fire engine is unclear, but it's a hot opening scene that sees the blonde up-and-cummer fucked in cowgirl and coated in a fountain of spunk that does little to douse the flames of passion.

Raven Alexis looks great domming up on her cocksman, but the fire station remains in jeopardy even after she's drained his balls, and it's up to Riley Steele to pay the evil property developers a visit and persuade them to leave it alone. She takes on Ben English and the gorgeous Brigette B in a sizzling threesome, and by the time Ben has coated the two girls' faces in his jizz it appears that he might've changed his mind. Hooray!

Jesse Jane gets in amongst the action, giving her 'firing man' a fantastic blow-job, before Katsuni gets hosed by two in the shower. The grand finale sees a lesbo orgy, as the girls have a sapphic shagfest to celebrate saving the fire station – hooray!

PRIVATE

Booted Bitches
Harmony Grant
THESE BOOTS WERE MADE TO FUCK IN

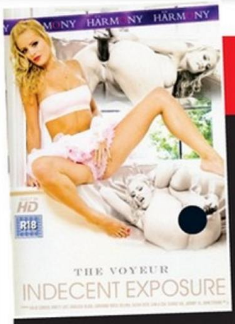
No prizes for guessing what this one's about then, as Private continue in their ceaseless quest to come up with the most literal porn movie title ever in the world ever.

But who cares about the name when you've got scene after scene of gorgeous European and American girls wearing fancy footwear sucking cock, getting fucked and lezzing off? Not us, that's for sure, and once you've witnessed the likes of blonde bombshell Harmony Grant, brunette babe Angel Dark, and legendary Hungarian hottie Monique Covet all decked out in a variety of boots – leather, PVC, thigh-length, biker, but for some reason not wellingtons or Uggs – and shagging on car bonnets, couches, and even at what looks like the scene of some kind of apocalyptic protest (no, we really haven't go a club what's going on their either), we're guessing that you won't be too bothered either.

Booted Bitches is essentially a Best Of… compilation featuring two hours of fairly glossy action aimed squarely at fancy footwear fans, and boasting impressively varied scenarios and outfits. Shoe fetishists should find plenty to like here, but the movie should also appeal to lovers of hot girls and mild sub/dom. We look forward to *Socked Sluts* soon.

3/5

Indecent Exposure
Harmony



Aussie stunner Chloe Conrad is currently making a big name for herself on these shores with several top-notch performances in a series of porn flicks, and it's she who graces the front cover of this three hour fuckfest. Alas, her scene is only a solo session with her collection of toys, but it's another hot performance from a girl who we're sure to be seeing plenty of in the near future. One to watch.

But there's a lot more to *Indecent Exposure* than dildos, dongs and vibes. Czech strumpet Carla Cox takes on three real cocks and three milky loads in a frenzied session, and raven-haired Sasha Rose shows a willingness to get amongst the rough stuff as she's spanked and shafted wearing fishnets and a leather corset by her eager fella.

The action here is fast, furious and very filthy, a theme upheld by a mini-skirt clad Adriana Rossi. She goes to work on her man's member like a woman possessed, riding his cock and taking his spunk like her life depends on it. However, the highlight of the flick – after some serious consideration – is Angelica Black and Kristy Lust doubling up on a rather lucky cocksman. As he arcs his jizz over their gorgeous bodies, he looks like a man who is particularly satisfied with his position in life – namely junking on fit women.

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

ATLASOBSCURA.COM

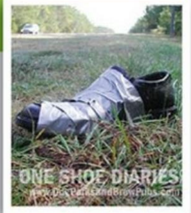
The world is an incredible place containing many weird, wonderful and incredible sights, and it's seemingly the ambition of the people at *atlasobscura.com* to create a site where they can all be discovered from the comfort of your own swivel chair.

Simply click on a continent or country and it will list all the entries it has for that particular location, complete with some great images and a detailed description of the sight in question. Lovely. Some places you may know about and others you might not, but one thing is for certain – if you have even the slightest interest in travel, this site will fill your head full of fascinating things to do and see all over the world. All you have to do now is book the flights.

"ALL YOU HAVE TO DO NOW IS BOOK THE FLIGHTS"

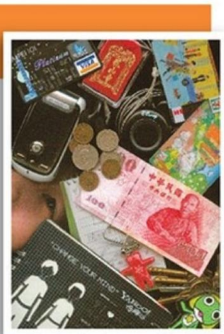
For those on a budget or the carbon footprint conscious, there's page after page of suggestions for unusual things to see and do on these shores, including oddities such as the tiny police station on Trafalgar square and a 'ghost village' in Scotland, some incredible museums, castles and architectural anomalies, and plenty of natural phenomenon. Your journey begins here...

ONESHOEDIARIES.COM



If you've ever seen a lone shoe lying around, whether it be on the pavement, in the middle of the motorway, or somewhere a bit weird like in an old woman's perm, and wondered 'what's that doing there and where's the other one gone?' then this is the site for you. Featuring hundreds of snaps of solitary footwear in a vast array of different scenarios, styles and fashions, *oneshoediaries.com* takes interest in the mystery of the random odd shoe to new levels. From a Spongebob Squarepants flip-flop left at the side of a road and a slip-on covered in gaffer tape on a grass verge, to a ladies boot overlooking the famous Hollywood sign, a myriad of solo footwear situations can be enjoyed here by those with the inclination. What more could you possibly want from a website?

FACEYOURPOCKETS.COM



The idea behind this 'arty' little project is very simple indeed, even by our usual standards – empty the contents of your pockets, wallet, handbag or even bumbag onto a flatbed scanner, squeeze your face in there and fire away, closing your eyes to avoid the bright light. Email the resulting montage to *faceyourpockets.com* and they'll display the resulting montage for the world and his wife to see. So what's so good about that then? Firstly, it's quite interesting to see what people keep about their person, with objects ranging from the commonplace – keys, money – to some slightly more weird stuff – lacy thong, Swiss army knife, lock of boyfriend's hair. Secondly, some of the pictures look funny. So there.

TED.COM

TED Ideas worth spreading

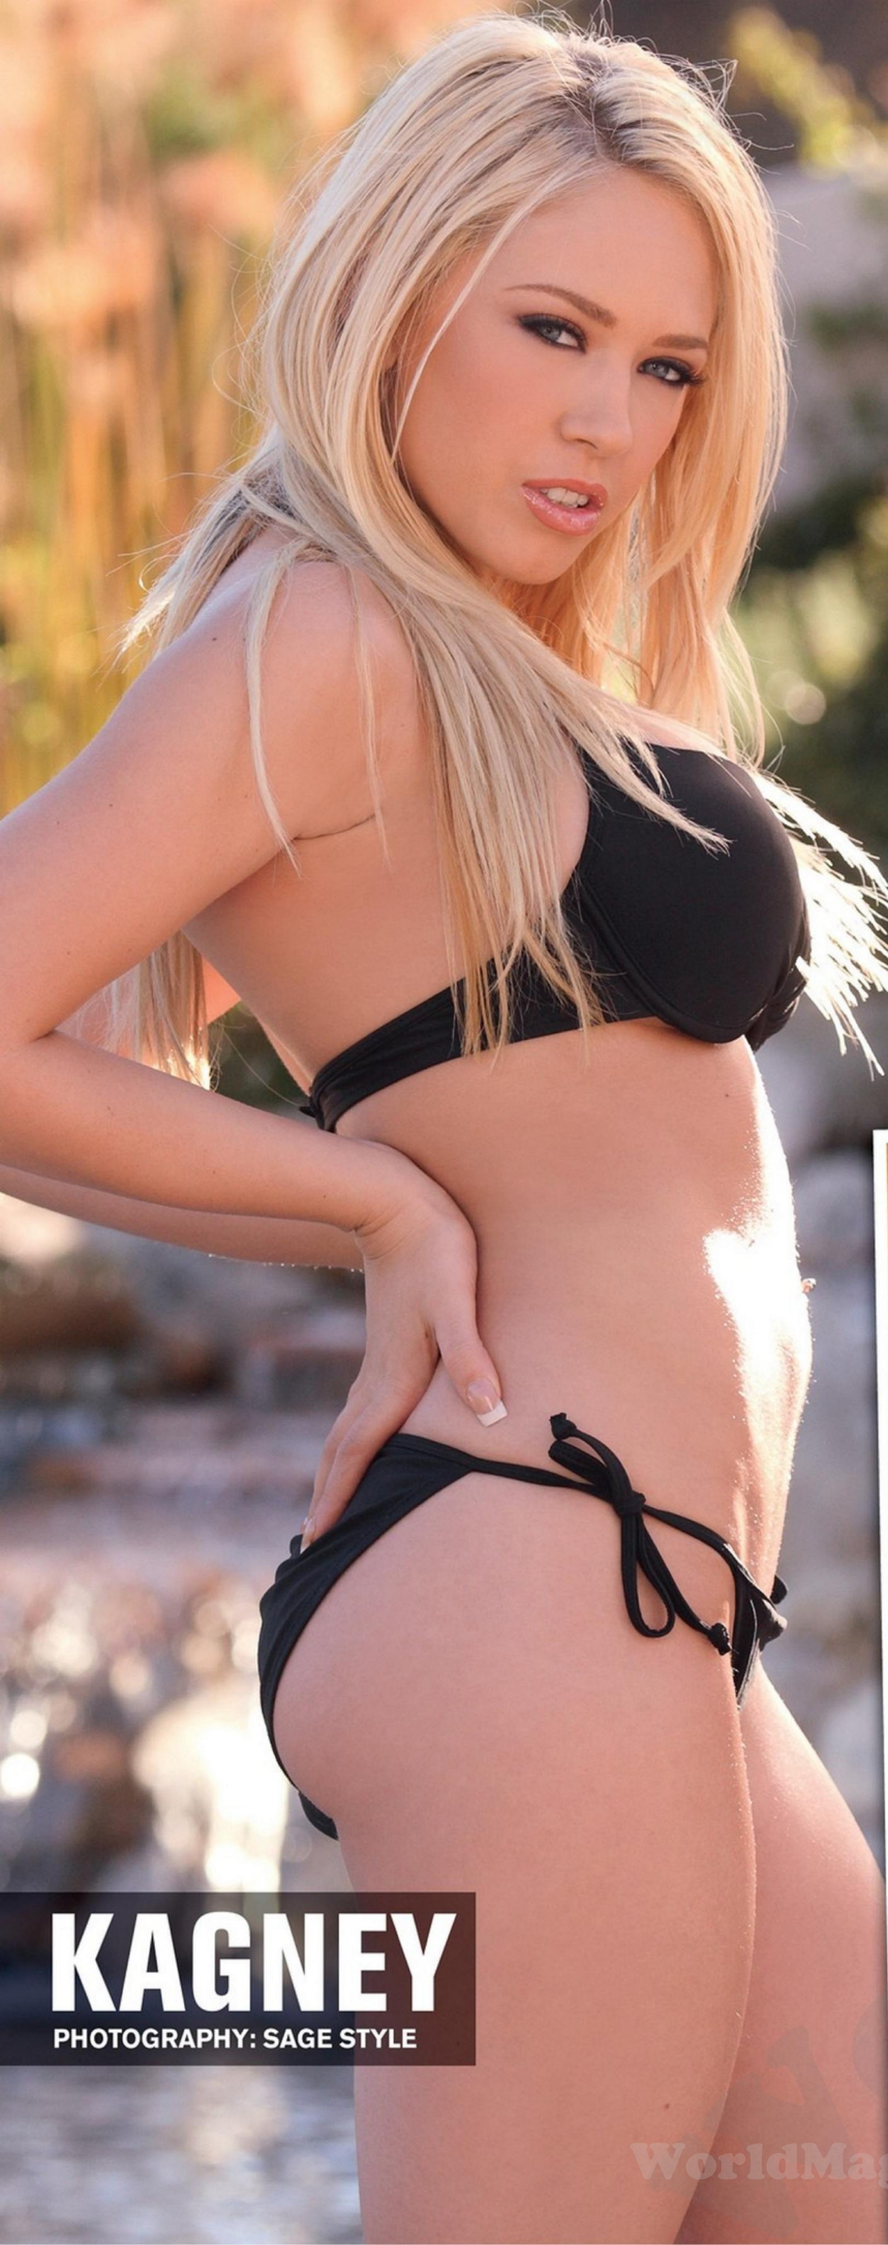
Bring together leading lights from the fields of Technology, Entertainment and Design (TED) at a series of annual conferences and get them to give the speech of their lives in 18 minutes. That's the philosophy behind *Ted.com*, and although tickets to said conferences are pretty much like gold dust, thankfully the talks are posted on this website for all to enjoy and learn from. The topics on offer are diverse and range deep-sea exploration to speculation about life on Mars, and the speakers are also impressively varied, with the likes of *Hitchhiker's Guide...* author Douglas Adams, Bono and Richard Branson all having made contributions. The result is a huge resource that you can simply dip in and out of and make of what you will, and don't be surprised if you find yourself becoming an expert on cave formations or human beatboxing in the process.

CRACKED

CRACKED.COM®
America's Only Humor & Video Site, Since 1958

Not exactly a new one this, but that doesn't make *Cracked.com* any less of a great way of wasting time, either at home, in the workplace or on a long rail journey.

Essentially a huge melting pot of humorous lists, stories, videos and images, a quick visit to this website can easily result in hours – and possibly even a job – lost, such is its capacity to throw up one funny thing after another. On one recent visit, we particularly enjoyed the list of five inspirational things done whilst drunk, which includes a tale of boozing astronauts and several accounts of wars won with hammered generals, and a couple of particularly interesting sections on conspiracy theories and video games that can ruin your marriage – Xbox 360 and Playstation 3 fans take note. All in all, *Cracked.com* is a great source of random fun that should help you pass an hour or three with ease.



KAGNEY

PHOTOGRAPHY: SAGE STYLE

WorldMa

If you're looking for the hottest girl in hardcore right now then well done, because you've found her – and I don't just mean in terms of appearance. Apart from being a busty, blonde bombshell with curves in all the right places, Kagney Linn Karter has been picking up awards like there's no tomorrow. This year she bagged the gongs for Best New Starlet at the AVN Awards, the X-Rated Critics Organisation Awards *and* the XBIZ Awards, a clean sweep that made her one of the most sought after babes in the business.

Zero Tolerance ultimately won the battle for Kagney's signature, and if you like what you see then you might be interested to hear that she's just made an Interactive Sex DVD for them.

So all's looking rosy for both Kagney and her growing legion of fans, but it still might be worth making the most of her hardcore performances while the going's good, because beyond the shagging onscreen Kagney harbours dreams of becoming a pop star, and by all accounts has the beautiful singing voice to make it happen.

With all those screaming orgasms, she must get lots of practice on the high notes…

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: Tess Daly *(Strictly Come Dancing)* vs Cheryl Cole *(The X-Factor)*

Pedigree

Daly

From model to presenter to the queen of *Strictly Come Dancing*, that's Tess Daly's story, although *Strictly...* judge and crabby bender Craig Revel Horwood might have something to say about the last bit. Latching on to a trend that has seen several statuesque blondes make it big hosting really shit TV programmes, Daly has somehow become a household name, although she loses marks for marrying Vernon Kay, a lanky Northerner who enjoys sending explicit text messages to women who aren't his wife.

Cole

Although she's now probably best known for being one of only four officially recognised talent barometers in the UK alongside Simon Cowell, Louis Walsh and Danni Minogue, Cheryl Cole actually made her name singing in a manufactured pop band called Girls Aloud. In fact, she's done very well for a 'bonnie lass' raised on a Newcastle council estate, achieving that ultimate goal for any working class girl – marrying a Premiership footballer and living happily ever after.

Round 1: Daly might be a talented model and presenter, but Cheryl Cole has risen from the coal-infested slums of Geordieland to become the nation's sweetheart, and on that basis edges the round.

Presenting Technique

Daly

Little is known about Daly's early presenting career on shows such as *Singled Out* and *Back to Reality*, whatever the fuck they were all about, and as a result her technique must be judged solely on *Strictly Come Dancing*. Well, she looks nice in a posh frock and is able to say 'Keeeeep Dancing' in perfect synchronisation with Bruce Forsyth, but on the whole Daly is only really a foil for the popular TV fossil's catchphrases, which include 'Nice to see you, to play your cards right'.

Cole

Not so much a presenter as a multi-talented singer, talent-scout and professional Geordie, Cheryl always wears her heart on her sleeve, sometimes weeping openly and saying 'I can't do this anymore like why aye man' as she shatters another *X-Factor* contestant's over-inflated hopes and dreams because Simon Cowell has told her they've got fuck all hope of making him any money.

Round 2: Tess and Cheryl both talk well on TV, but do play second fiddle to their male co-hosts. However, Cole wins the 2nd as we can be 100% sure that she's never palmed Brucie off in return for more lines.

Sex Appeal

Daly

She's tall, beautiful and the face of La Senza lingerie, but in a recent poll not conducted by anyone, 56% of men said that they thought 'Daly looks like a woman who drinks pints and enjoys casseroles'. Although undoubtedly a very glamorous woman, it is admittedly difficult to think about Daly without imagining her doing a very meaty, noisy fart and laughing about it, perhaps even in front of Bruno Tonioli.

Cole

As she likes to say in her adverts for L'Oreal, Cheryl Cole is definitely 'worth it'. What ex-husband Ashley was thinking of as he – allegedly – merrily screwed around with various women who weren't Cheryl is anybody's guess, although we've come to the conclusion that she refused to take it up the arse so he went off and found a few slags who would. Unlike Daly, Cole would never do a trump in public. Indeed, rumour has it that she only poos fortnightly and it comes out smelling of jasmine.

Round 3: Two gorgeous girls, but one has smelly wind and the other seemingly won't take it up the bum. A tough call, but Daly sneaks it by virtue of the fact we think she'd be more accommodating in the sack.

Personality

Daly

Breaking wind, telling dirty jokes, even getting Bruce Forsyth in a headlock – we've already established that it would be easy to imagine Tess doing all these things and more whilst winking bawdily at bemused onlookers, telling them with a filthy laugh that she hasn't shaven her armpits since last Thursday. Indeed, after hubby Vernon Kay was caught sending rude text messages to five different girls, Tess apparently subjected him to a 'Dutch Oven' and warned the *Family Fortunes* host never to do it again, otherwise she would 'wedgie him until his crack wept'.

Cole

In a recent fictional survey, 78% of those approached thought a conversation with Cheryl Cole would be much like 'talking to a female version of the Cuprinol man but without the expert knowledge of wood treatment'. Although she's nice to people on the *X-Factor*, Cole – allegedly – once punched a toilet attendant and called her naughty names, making it difficult to establish what she would be like in real life.

Round 4: Daly's rough and ready humour and laddish pranks might not be to everyone's taste, but at least you know where you stand with the *Strictly* queen, even if it is in a cloud of guff. Tess takes the round.

Handling of Errant Husband

Daly

When the tabloids revealed that Vernon Kay had been 'sexting' birds with rude messages such as 'I think ur Gr8' and 'Will u b my m8?' Daly was keen to give him a slapped wrist and move on, when in reality she should've confiscated his mobile phone, or at least removed the free text bundle from his call plan so his saucy shenanigans would cost him ten pence a go, and hit him firmly in the pocket.

Cole

'I'm gonna fight, fight, fight, fight, fight for this love', sang Cheryl on her 2009 hit single *Fight for This Love*, and she certainly gave her 'love rat' hubby Ashley Cole enough second chances as he knobbed his way around the British Isles like a rabbit with fourteen cocks. Instead of standing by her man, the Girls Aloud songstress should've refused to make Ashley his favourite tea – Findus crispy pancakes and peas – until he agreed to stop spraying his seed into anything with a fanny.

Round 5: Although Daly didn't take evasive action with Vernon's mobile phone, they're still together, whereas Cheryl's crispy pancake and peas 'faux pas' has resulted in divorce. Daly takes the contest.

Result

When the two undisputed queens of Saturday night light-entertainment locked horns, here at Foxy Boxing we always knew it was going to be a fearsome and closely fought contest.

After all the blood, sweat and girl tears, who'd have thought that the result would all hinge on the humble Findus crispy pancake, and Cheryl's foolish attempts to cling onto her man with his favourite frozen cuisine – minced beef, just for the record.
